Babylon Celebrates Black History

Babylon Town Supervisor Rich Schaffer and Department of Human Services Commissioner Madeline Quintyne-McConney hosted the Town's 31st Annual Black History Month Celebration at Amityville Memorial High School.

Town of Babylon Beautification Program

Councilwoman Jackie Gordon, Chairperson

Babylon Welcomes Art in the Park!

In honor of Global Youth Service Day, several children of North Babylon Youth Services group at the Phelps Lane North Babylon Youth Center presented "Art in the Park". For several months, the children diligently worked on a project to give back to the community where they took five plain trash receptacles, beautifully painted them, and turned them into works of art. The youth also constructed an Information Board which will help inform the community about upcoming events.

Established in 1988, Global Youth Service Day is the largest youth service and civic action event in the world. GYSD celebrates and mobilizes the millions of young people who improve their communities through service. During the months of April, May and June, the Town of Babylon and NYS Assemblywoman Kimberly Jean-Pierre recognizes the youth who help their communities thrive by working together for the common good.

Town of Babylon elementary school students show off new "Save Our Waves" signs

"Save Our Waves" Signs Displayed at Beaches

The Town of Babylon introduced a campaign to protect our beaches with a "Save Our Waves" Kickoff Ceremony. Children from various elementary schools in the Town of Babylon were recognized for helping to bring awareness to the importance of protecting our environment, in particular our beaches and waterways through their artwork.

The artwork was chosen from the Burt Koza Memorial Waterways Poster Contest sponsored by Winters Bros. at the Town of Babylon's Earth Day celebration. To help educate the public about the negative impact of littering, the posters have been turned into original aluminum metal signs and are displayed at Tanner Park in Copiague, Venetian Shores Park in Lindenhurst and Overlook Beach in Babylon.

Gilgo Beach Gets Annual Clean-Up

The Long Island Beach Access Group (LIBAG), with the American Littoral Society held their 44th Annual Beach and Coastal Clean-Up Effort at Gilgo Beach. Volunteers of all ages also included Town of Babylon Beautification Ambassadors, the Junior Beautification Ambassadors and the Lindenhurst High School Robotics Club, all of whom helped collect 319 lbs. of debris off of the beach and marina, an improved result, down from 760 lbs. collected the previous year.

The Beautification Ambassadors and Junior Beautification Ambassadors are appointed volunteers who represent their respective hamlets in the Town of Babylon. Through organized interactive events and advocacy, they help residents in our communities gain an understanding of issues impacting our parklands, roadways, beaches and open spaces.
