DISTINGUISHING FEATURES OF THE CLASS

Under supervision, an employee in this class is responsible for inspecting land use, and land or building development or modifications for conformity with zoning rules and regulations effective in the Town. The incumbent makes routine investigations of complaints of alleged violations and prepares reports on the findings. The work differs from that of a Zoning Inspector in that the incumbent is also responsible for communicating in Spanish with Spanish speaking residents and constituents. Work is performed in accordance with the established laws, rules and regulations and departmental policies and is reviewed by supervisors for adherence to these standards. Performs related work as required.

TYPICAL WORK ACTIVITIES

Investigates complaints of violations of zoning regulations; interviews property owners, tenants and complainants in English and Spanish to determine nature of violations;

Recommends measures for correcting the violation if one exists;

Assists in receiving and screening the complaints of violations of the zoning regulations;

Makes investigation of complaints; if verified, issues notice of violations;

Follows up on complaint to ensure correction; issues summons in case of violation that has not been corrected, and may testify in court concerning the case;

Prepares work reports on inspections conducted and on recommended actions to correct violations.

KNOWLEDGE, SKILLS, ABILITIES and PERSONAL CHARACTERISTICS

Some knowledge of legal procedures related to the enforcement of regulatory codes; ability to acquire knowledge of applicable zoning regulations, and related departmental policies and procedures; ability to make inspections and to follow oral and written assignments in English and Spanish; ability to ascertain facts through investigation; ability to prepare a variety of records and reports; physical condition commensurate with the demands of the position.
